

DIARY - ASSISTANT DEPUTY DIRECTOR (A) *MMW*

Saturday - 13 September 1952

1. Completed move of my Office to the Administration Building and rearrangement of Mr. Wolf's Office in the Administration Building. Also rearrangement of Becker's and Wisner's Offices.

2. Talked to Hedden about [REDACTED] case (misuse of funds). He and Mr. Dulles have definitely recommended and obtained approval to reverse the decision in this case. I expressed my views fairly strongly in the matter, but, in accordance with Mr. Wolf's instructions, stated that I did not desire to file an objection with the Director.
